Our **Goals** and **Progress**

2025	2030	2035
99% women and youth positively impacted within underserved communities. 128% 99% sense of community feels seen, heard, and valued. 86% 500 volunteer hours dedicated to underserved communities. 44%	30% women founders enrolled in mobilization programs and training. 9.72% 2500 volunteer hours dedicated to underserved communities. 8.84%	 Improve the well-being of 15,000 youth and women. 10.6%

At EquiStrategies, our mission goes beyond merely building capacity; we aim to advance equity and economic opportunity. We are committed to fostering innovation, mobilizing, and investing in underserved communities, as we believe our organization can serve as a catalyst for meaningful change. and as CEO I take pride in the strides we have made toward our objectives. Together, we are stronger, and our potential is limitless.

Aleah Moore, Founder & Chief Executive Officer

2023 Highlights

Commitment to Community Action.

We're committed to creating stronger communities for all by implementing equitable solutions. Our goal is to reach 15,000 women and youth by 2035, and we're making significant strides through our grassroots efforts. Here's how we're fostering inclusive communities for today, tomorrow and future generations.
